A Journey From Mohandas to Mahatma

Tuesday, October 1, 2019

Dear Esteemed Reader,

As the world cherishes and celebrates 150 years of Mahatma, we in Bharatiya Vidya Bhavan's, V.M. Public School, Vadodara Kendra look within us to cleanse the society of its malice and disharmony and establish a society with fundamental ethical values and re-establish the leader's legacy of truthfulness. We have tried to delve deeper in the character building and the right ways to live in community and deal cordially with disagreements and conflicts.

The great Indian poet and Nobel Laureate Rabindra Nath Tagore called Mohandas Karamchand Gandhi as 'Mahatma' or great ascetic soul. Gandhi had renounced the worldly comforts to dedicate his life for a cause and inspire millions with his simplicity and quest for the truth. This arduous journey must have been intense and excruciating experience. But the exquisite legacy is treasured worldwide.

Through this campaign, we will annunciate the message of love and kindness towards mankind and embrace truthfulness and righteousness for all our actions. We have tried to summarise five promulgation for the students, teachers, society and stakeholders at large towards a positive way of living. These values have helped many to identify the purpose of life for peaceful co-existence.

The e-campaign 'mann ki swachhta' is just a small duty and reminder towards the society for acknowledging our responsibilities and fulfilling our intent for a noble cause. We earnestly urge you to ponder over the proclamation and reflect your views as we embark on our journey towards positive and peaceful mission.

Further to communicate, you are requested to forward this message to all people you know and your kind assistance is greatly besought for success of this campaign

We look forward to an enriching response,

Principal

Shri Rajeev Kumar Singhal
